## Career Aim

Motivated Full Stack and MERN Stack Developer with 3.5+ years of experience in building and maintaining modern web applications. After gaining strong technical expertise in development, I am now transitioning my career toward cybersecurity and actively pursuing an MSc in Cyber Security at the University of Wolverhampton. I am eager to apply my programming background, analytical thinking, and problem-solving skills to security-focused roles, with the goal of contributing to secure system design, threat analysis, and the protection of digital infrastructure.

## Education

**2025 – Present**   *University of Wolverhampton*
Master of Science in Cyber Security (EQF Level 7), Wolverhampton, UK

**2019 – 2024**   *Iqra University*
Bachelor of Science in Computer Science, Islamabad, Pakistan
